

# File a New Family Case Electronically in the Superior Court

---

You can file **the following types of family cases** electronically (on-line): **dissolution of marriage (divorce); legal separation; annulment; and civil union - dissolution, legal separation or annulment.** You can find a list of the types of cases that you cannot file on-line in the revised [Procedures and Technical Standards for E-Services](#). You cannot file any type of **family** case on-line if you are not paying the entry fee because the court granted your application for a fee waiver.

If you have not enrolled in E-Services yet, stop here. Before you can file a new case on-line, you must fill out and submit the enrollment application to set up your User ID and password, and make your account active. Then you can log in to E-Services.

*Every case is different and the information in this manual is general. You should use the information as a guide only; if you think you need more help with your case, you may want to get an attorney. You can also go to a [Court Service Center](#) or contact the [Connecticut Network for Legal Aid](#) or find additional information at the [Law Libraries](#).*

To file a new case on-line, you must:

1. Enroll in E-Services to set up a User ID and password
2. Prepare the summons, complaint, and notice of automatic court orders that you will have served on the defendant
3. Personally go to the clerk's office to have the summons signed by the clerk
4. Give the paperwork to a state marshal to have it served
5. Scan the original papers that have been served and returned to you by the state marshal into three or more separate PDF documents

**Note:** If you have had a pendente lite motion served on the defendant, you will file the motion separately after you have filed your new case.

6. Save the PDF documents on your computer
7. Log in to E-Services with your User ID and password
8. Choose **Civil / Family Menu**
9. Choose E-file a New Case
10. Enter the information on the case type into the system
11. Enter the information from your summons about the case, the court, and the parties in the case into the system
12. Browse and attach the PDF documents of the summons, complaint, notice of automatic court orders, and the marshal's return of service
13. Review the information that you have entered and the documents that you have attached
14. Enter your User ID to certify that the documents that you have attached are true copies of what the marshal served on the defendant
15. Pay the entry fee using a Discover, Visa, MasterCard or American Express credit card
16. Print the confirmation page that gives you the information on what you filed with the court

## Instructions and pictures to tell you how to file a new case on-line

You must fill out your summons, complaint, notice of automatic court orders, and any other documents that you will have the marshal serve on the defendant. Once you have filled out this paperwork, you must personally take it to the Superior Court Clerk's Office. The Clerk will sign the summons, and return the signed original summons, complaint, notice of automatic court orders and any other documents to you. You then give the original summons, complaint, notice of automatic court orders and any other applicable documents to a state marshal, who serves the papers and gives the original documents back to you along with a return of service. When the marshal returns the documents to you, you can scan them to convert the summons, complaint, notice of automatic court orders, and the marshal's return into four separate PDF documents. If you have had the marshal serve a pendente lite motion, such as a motion for alimony or support pendente lite (before a judgment), you must scan the motion to convert it into a separate PDF document, which you will file in your new case after you file it. You can electronically file PDF documents only.
